## MERRY MILLIONS GAME CONDITIONS

These Game Conditions apply, until amended or revised, to the MERRY MILLIONS lottery game.

### 1.0 Rules

- 1.1 MERRY MILLIONS is governed by the Ontario Lottery and Gaming Corporation (the "Corporation") Rules Respecting Lottery Games which are available upon request and which include limitations of liability.
- 1.2 Words used in these Game Conditions which are used in the Rules Respecting Lottery Games shall have the same meaning as those used in the Rules Respecting Lottery Games.

### 2.0 Game Participation

- 2.1 MERRY MILLIONS is a lottery game where each \$20 ticket consists of one (1) unique six (6) digit number, randomly chosen by the Corporation's central computer system from a range of numbers between 000001 to 999999 ("selection" or "selections"). There are a maximum of 500,000 valid selections (i.e., not cancelled) of six (6) digit numbers.
- 2.2 Any selection associated with a cancelled ticket will not be included in any Early Bird and/or Main Draw. It will be removed from the 500,000 available selections and will not be reissued.
- 2.3 MERRY MILLIONS is available only by Quick Pick and only at participating retail lottery terminals. MERRY MILLIONS is not available on OLG.ca.
- 2.4 For each ticket requested and paid for, the on-line system shall:
  - (a) choose for the player the six (6) digit selection.
  - (b) print a ticket that will display:
    - (i) the selection chosen by the on-line system;
    - (ii) the applicable draw date(s) the ticket is eligible for;
    - (iii) confirmation of eligibility for the Early Bird Draw(s) (if applicable);
    - (iv) the time (Eastern Time) the ticket is printed by the retailer's terminal;
    - (v) the dollar amount wagered; and
    - (vi) other information pertinent to the game.
- 2.5 Tickets will be available for purchase from the start of sales on November 21, 2023 to January 9, 2024 10:30 p.m. Eastern Time, or until all 500,000 selections are issued, whichever comes first.
- 2.6 Each ticket is eligible for all Early Bird Draws scheduled to happen after purchase and for the Main Draw, even if a prize has been won on any Early Bird Draw. In the event that a ticket contains a selection that matches the winning number for any Early Bird Prize, the ticket remains eligible for all remaining draws.
- 2.7 A winning ticket for an Early Bird Draw(s) and the Main Draw must have a selection that matches the number drawn in the applicable draw in the exact specific order ranging from 000001 to 999999 ("winning ticket" or "winning tickets").
- 2.8 The available number of MERRY MILLIONS tickets remaining to be purchased may be displayed and

updated every 60 seconds on various media at retail, on OLG.ca and on mobile applications (when/where available). All information regarding tickets remaining advertised by the Corporation is for information purposes only. If there is a discrepancy between the advertised tickets remaining and that which is recorded in the central computer system, the information in the central computer system will govern.
